

# Bella Curella Italian Cheeses

An Old World Tradition

# BELLA CURELLA™ CHEESE

Blaser's Premium Cheeses has been producing high quality, natural cheese since 1948. We are proud to offer our complete Italian cheese line Bella Curella. The line consists of exact weight wedges, shredded cups and grated cups featuring a variety of fine Italian domestic cheeses.

## Quality Taste in a Quality Package

The Bella Curella Italian Cheeses have a consistent texture and taste. Discriminating palates will appreciate the flavor difference that set each type of cheese apart. From the harder Parmesans and Romanos to the softer, creamy Asiago, the Bella Curella line offers a high-quality, domestic Italian product. The Bella Curella Italian Cheeses are packaged with eye-catching graphics that remain consistent throughout the various flavors and packages. The look and feel of the products provide the "Old world" aura of fine Italian cheeses. Available in both retail and foodservice packages. •
